How to book a seat:

Website: You can book your ticket through our website www.airfrance.co.za by searching for a one-way trip. Please book only for these flight numbers on these dates.

Call centre: Our sales and Service Centre can be contacted to book a flight, via phone: +27 (0)10 205 0100 or +27(0)10 205 0101, daily between 09:00 – 16:00. Payment can only be made with credit card. If you have an existing booking with Air France or KLM you can use it to (partially) pay for this flight.

Additional Information: During the booking process a link will be given to fill in a web form. You need to fill in the form for each passenger in your reservation. It is mandatory to fill in this web form. In case you missed the link in your booking process, you can find it here: <https://www.airfrance.co.za/ZA/en/local/customer/webform.do?webformId=assistance-repatriation>

⚠ Please be aware that it is mandatory to submit information required by the South African authorities ⚠

Book before flight closes: Flights will be closed for bookings on 5 days prior to departure to submit all information to the South African Authorities.

What happens after you booked a ticket:

After flight is closed and passenger list submitted to the authorities, all passengers who have bought a ticket will receive all information about the process on the day of departure, the location of the assembly point, how to get there, the time schedule and other relevant info for your trip. This will be sent by Air France around 3 days prior to departure.

If you are travelling from outside the Gauteng or Western Cape province to the assembly points, please request your Embassy, or the Embassy of your destination, to issue a 'laissez-passer' letter. This allows you to cross province borders and travel to the assembly point on the day of departure. From the assembly point all passengers will be transported to the airport by bus. Please take note that you are not allowed to travel directly to the airport.

Who is allowed to travel:

- Citizens of European Union*, the United Kingdom, Norway and Switzerland
- Holders of Residence permit for any of the European Union countries

Sanitary and health measures:

Air France is taking a series of measures to keep you and our staff as safe as possible.

- The wearing facial protection during boarding and on board is mandatory for Air France passengers. Passengers must ensure that they carry the required facial protection with them. Cabin crew will of course also wear facial protection.
- Our on board service is adapted to limit the contact between passengers and our cabin crew as much as possible.
- We have taken extra measures when it comes to the cleaning and maintenance of our aircraft before you embark. Every day, all our aircraft are thoroughly cleaned and sanitized with approved disinfectants.
- During the flight, the air in our aircraft is continually renewed with fresh air drawn in from outside. Our aircraft are equipped with an air filtration system consisting of High Efficiency Particulate Air (HEPA) filters which capture 99,99% of viruses and bacteria, including coronaviruses, filtering all air in the cabin every 180 seconds.
