## DEVELOPING MOZAMBIQUE'S NATURAL RESOURCES FOR ENHANCED INDUSTRIALIZATION AND VALUE ADDITION IN COUNTRY

### MMEC 2018

Ever since the launch event in 2008 the Mozambique Mining, Oil & Gas and Energy (MMEC) Conference & Exhibition has played an important role in highlighting Mozambique's natural resource potential to a large audience.

Now an established feature event in the region, the Government of the Republic of Mozambique & the Ministry of Mineral Resources & Energy, in partnership with AME Trade are pleased to bring you the **6<sup>th</sup> edition of MMEC that will take place from the 25<sup>th</sup> – 26<sup>th</sup> April 2018 at the Joaquim Chissano Conference Centre, Maputo.**

The 2016 edition featured over four hundred delegates and one thousand visitors who originated from twenty-seven countries. Building on that success event, MMEC 2018 will continue to showcase and explore developments in Mozambique's thriving Oil & Gas, Mining and Energy sectors and also focus attention on the potential opportunities, lessons learned by key investors and the creation of new business partnerships.

Mozambique's economic transformation agenda continues. The government of Mozambique is committed to continued strengthening of the economic growth and creating a world class investment destination.

MMEC is the most definitive resource conference for Mozambique, uniting Ministers, senior directors from state owned enterprises, development partners, and other stake holders with industry executives, institutional investors and service providers to meet, share ideas, connect & cement greater business alliances.

The event is a firm fixture in the global extractive industries business event calendar!

**"Well organised, good opportunity to get updates and network with existing and new industry players."**

**PAUL HURST, MANAGING DIRECTOR GROUP OPERATIONS, SOLENTA AVIATION, MOZAMBIQUE**

## 5 REASONS TO ATTEND

- Play a role in the advancement of Mozambique's mining, oil & gas and energy industries
- Hear from 60+ industry experts and key stakeholders
- Access investable projects in Mozambique
- Network with Ministers, senior directors from state owned enterprises, development partners, institutional investors and other stakeholders
- Find out about new technologies and products at the exhibition

**CONFERENCE PROGRAMME: Building on the success of the previous five editions, the following topics running in three simultaneous sessions will be discussed at MMEC 2018**

## OIL AND GAS MOZAMBIQUE

Mozambique has significant natural gas resources which are in the process of being monetised to promote their domestic economy and provide government revenue through export.

- **LNG Markets: Impact on current project and gas monetization strategies for the future**
- **Mozambique's Oil & Gas Exploration outlook: E&P Plans Post 5<sup>th</sup> Licensing round.**
- **Adding Value: Local Content in Oil and Gas: An obstacle or a necessity for a sustainable Oil and Gas industry**
- **Gas Infrastructure Challenges/opportunities: Resettlement Plan**
- **Development of Ports, Airports, Roads, Marine Services and Power Generation Capacity, Shared infrastructure.**
- **The importance of Oil & Gas industry in contributing to a sustainable future for Mozambique**
- **Innovations that drive down costs across the LNG value chain: Drive development costs down a competitive advantage for green field projects**
- **Advancing the role of SME's in the Oil & Gas sector**

## MINING MOZAMBIQUE

The diversity and vastness of unexploited mineral resources that the country is endowed with represent major investment opportunities for the exploration, extraction, processing and utilization of the various types of resources, of which the most important are coal, gold, titanium, ilmenite, zircon, rutile, tantalite, marbles, and precious stones.

- **Mozambique's Mining Realizing the Potential: Overview of the Geological potential of Mozambique**
- **Legal and Fiscal framework affecting: Mozambique's Mining industry**
- **Roundtable: Adding value to mineral resources vs local content: Where are we now and how we can best move forward?**
- **Mozambique Coal: A look into current and upcoming projects**
- **Updates on other emerging Mining projects**
- **Environmental impact of Mining operations and how to minimize it**
- **Sustainability in Mining: Managing Local community expectations**

## POWER MOZAMBIQUE

With the start of the commercial extraction of natural gas, rehabilitation and construction of new hydroelectric dams, start exploration and foment of alternative and renewable energies such as solar, wind and biofuels (bioethanol, biodiesel and biogas), the country has expanded its energy generation capacity potential to more than 16,000MW.

- Overview of Mozambique's Power Generation potential
- Regional integration: How Mozambique can position itself to be a leading energy provider in the region
- Renewable Energies: Potential, Policies and Investment Opportunities
- Roundtable: Rural Electrification: What solutions exist and how they can be applied
- Update on key Power Projects: Current outputs and strategies for future expansion
- Future of Gas-to-Power/ Coal to Power
- Financing Power Generation Projects: How to access finance and how to make your project appealing to financiers

## BECOME A SPEAKER

If you would like to join the panel of speakers at MMEC 2018, please send your biography, topic, photo and abstract to the organising committee. N.B Speeches can be in Portuguese or English. All the speeches should not exceed the duration of 15 minutes. The deadline to receive propositions for speeches is 15 December 2017. Please note that the conference topics are available on the event website. If you would like to deliver a speech at the event, please contact: **Emma Sayers, Conference Producer, Tel: +27 84 585 5119 or emma@ametrade.org**

## BECOME AN OFFICIAL SPONSOR OF MMEC 2018

Sponsoring the event is an excellent way to enhance your company's participation at MMEC 2018. AME Trade Ltd offers a range of sponsorship packages which are designed to showcase your brand to current and future participants at the conference.

### Why you should Sponsor

- Sponsoring MMEC 2018 will position your company in a position of leadership within your sector, it will allow you to reach a broad range of high profile decision makers within the Mining, Oil & Gas and Energy sectors.
- Our team will work with you to create a package to address your needs and objectives or you can customize one of our prepared sponsorship opportunities. Packages can be made to include advertisement in the catalogue and newsletters, delegate passes, exhibition space, branding of the venue, items, etc.

Get in touch with our team and let us help you find the package that will help fulfill your objectives. If you wish to partner and support this initiative kindly request further information on **mmec@ametrade.org**
